### EVENT INFORMATION

Accolade provides personalized health and benefits solutions designed to empower every person to live their healthiest life. Using a blend of cloud-based technologies, specialized support from Accolade Health Assistants® and Clinicians, and integrated data and programs across mobile, online and phone, Accolade navigates people through the healthcare system with trust, empathy and ease. Employers offer Accolade to employees and their families as the single place to turn for all health, healthcare, and benefits questions or concerns, increasing their engagement in benefits and connecting them to high-quality providers and care. By empowering members to make better decisions about their health, Accolade can support members in lowering the cost and complexity of healthcare while achieving consumer satisfaction ratings over 90 percent. For more information, visit Accolade on Twitter, Facebook, LinkedIn and at [www.accolade.com](http://www.accolade.com).

### SPEAKER INFORMATION

As Executive Vice President and General Manager of Enterprise and Strategic Business, Matt oversees customer partnerships, sales, support and service for the company's largest employers, while setting strategy and managing relationships with employers, health plans, and industry consultants. With Matt's leadership, Accolade develops sales and support strategies designed to retain and expand relationships with existing customers, health plans and consultants. These strategies include introducing new population health services and solutions that support changing employer populations and business goals.

Previously, Matt was Senior Vice President of Customer and Health Plan Partnerships at Accolade, providing strategic oversight of the company's relationships with employer customers, health plans, and third-party administrators (TPAs). He has played an essential role in Accolade's strong customer growth and retention, program development, and expanding and strengthening Accolade's strategic relationships across the industry.

### DATE & TIME
